Warranty[8]	Toll-free technical phone support plus **1-year limited warranty** with InstantExchange program.

1 Resolution may vary based on printer driver setting. Color ink droplets can be placed with a horizontal pitch of 1/9600 inch at minimum.

2 PPM print speeds are based on the highest speed printer driver mode using black and white and color text patterns. Photo print speeds are based on the standard mode driver setting using photo test pattern(s) and select Canon Photo Paper. Print speed measured as soon as first page begins to feed into printer and will vary depending on system configuration, interface, software, document complexity, print mode, types of paper used and page coverage. See **www.usa.canon.com/printspeed** for additional information.

3 Requires mobile phone or other device with IrDA port and support for IrMC version 1.1 protocol, with phone positioned no more than 7.9 inches from the printer.

4 Bluetooth v2.0 with optional Canon Bluetooth Unit BU-30. Bluetooth operation depends on the device and software version used. Operating distance is approximately 10 meters but may vary due to obstacles, radio signals, locations where radio interference occurs, magnetic fields from microwave ovens, device sensitivity and/or antenna performance.

5 Requires mobile phone equipped with PictBridge technology and a USB cable.

6 Specifications are subject to change without notice. All printer images and effects are simulated.

7 System requirements vary by application.

8 Warranty programs are subject to certain conditions and restrictions. See **www.canontechsupport.com** for details.

Camera purchased separately.

Ordering Information

Model No.
PIXMA iP100 Mobile Printer   1446B002

Compatible Inks
