**Product Safety Guide**
Read the Product Safety Guide first, and then read this Quick Setup Guide for the correct installation procedure.

NOTE:
- The components included in the box and the AC power plug connection may differ depending on your country.
- The illustrations in this Quick Setup Guide are based on the HL-L8350CDW.
- You must purchase the correct interface cable for the interface you want to use:
  USB cable
  We recommend using a USB 2.0 cable (Type A/B) that is no more than 6 feet (2 meters) long.
  Network cable
  Use a straight-through Category 5 (or greater) twisted-pair cable for 10BASE-T or 100BASE-TX Fast Ethernet Network.
1 Remove the packing material from the machine
2 Load paper in the paper tray

Adjust the paper guides.
3 Connect the power cord and turn on the machine

The machine's LCD displays Ready. ▶ Go to step **4**
The machine's LCD displays Setup Wi-Fi?. ▶ Go to step **5**

4 Select your language

1. Press ▲ or ▼ to display General Setup, and then press **OK**.

2. Press **OK** to select Local Language.

3. Press ▲ or ▼ to select your language, and then press **OK**.
Go to step **6**.

5 Wireless setup for WLAN models only

If the machine's LCD displays Setup Wi-Fi? after you turn on, do one of the following:

(To change the language)
Press ▼ to select No, and then back to step **4**.

(To connect your computer)
Press ▼ to select No, and then go to step **6**.

(To connect your mobile device)
Press ▲ to select Yes, and then go to *Print using your mobile device* in step **6**.

Wireless Network Connection

Wireless Device Setup Wizard

Wireless Device Setup

Using a USB cable temporarily connected to your wireless computer is the recommended wireless installation method.

Do you have a USB cable?

○ Yes, I have a USB cable to use for installation.

○ No, I do not have a USB cable.
Note: If you do not have a USB cable you can still setup your device wirelessly (Advanced Method).

< Back   Next >   Cancel

[**Recommended**]
Temporarily use a USB cable for easy setup.

[Option]
Select if you do not have a USB cable.

Follow the on-screen instructions to continue the installation.

Finish

NOTE:

If connection is unsuccessful, repeat this step.
