### Product Description

The SmartFit Conform Back Rest takes sitting comfort to a new level, with patented back support technology that works in nearly any type of chair. The SmartFit System allows you to customize the height of the back rest to your personal comfort color for maximum support for your spine and lumbar. Ventilated back panels conform to your body type through four independent springs that articulate when you shift your posture. And because the panels are ventilated, it dissipates heat to keep your back cool and dry throughout the workday.

### Features

- SmartFit System lets you measure, adjust and fit the back rest to your ideal comfort color setting
- Height adjustable for customized lumbar support
- Independent springs conform to fit your body shape and articulate with your posture
- Ventilated supports keep the back cool and dry
- Easily remove fabric cover to machine wash when needed
