## MFC-9460CDN Color Laser All-in-One with Duplex Printing and Networking

The MFC-9460CDN color laser all-in-one combines print, copy, scan and fax in one powerful device. It produces high-impact color output at impressive print and copy speeds of up to 25ppm and offers flexible connectivity with its Ethernet and USB interfaces. Its automatic duplex feature for two-sided printing helps save paper and optional high yield toner cartridges are available to help lower your operating costs – making this all-in-one a practical choice for a business or workgroup.
